CLAIM FORM - DECLARATION AND AUTHORITY (Section D)

I declare that the information given in this form is true and complete to the best of my knowledge. I understand that providing false or misleading information may result in my claim being declined and my policy being cancelled. I authorise any doctor, hospital or other provider to release to the insurer any information it requests about my medical history and treatment.

1. The member must take all reasonable steps to minimise the cost of treatment, including using network providers where available. Waiting periods apply to certain benefits as shown in the table of benefits and are not waived on renewal. Amounts in currencies other than the policy currency are converted at the rate applicable on the date of treatment. Pre-existing conditions are excluded unless declared at application and accepted in writing by the insurer.

2. The member must take all reasonable steps to minimise the cost of treatment, including using network providers where available. Amounts in currencies other than the policy currency are converted at the rate applicable on the date of treatment. Nothing in these terms affects the member's statutory rights under the law governing this contract. Any claim that is fraudulent or exaggerated in any respect will be declined and the policy may be cancelled from inception.

3. Where the member holds other insurance covering the same event, the insurer will pay only its rateable proportion. Complaints should be raised first with the insurer's customer relations team before referral to an ombudsman service. Amounts in currencies other than the policy currency are converted at the rate applicable on the date of treatment. The member must take all reasonable steps to minimise the cost of treatment, including using network providers where available.

PRE-AUTHORISATION CONFIRMATION

Pre-authorisation reference: PA-2026-118734

Status: Approved

Member: Daniel Okafor (MGH-7730192-01)

Provider: Lantern Bay Medical Centre

Approved procedure: Laparoscopic appendicectomy with general anaesthesia

Approved amount: HKD 120,000.00 (inclusive of hospital, surgeon and anaesthetist fees)

Approved length of stay: up to 4 nights

This authorisation is subject to the terms and conditions of the member's policy and to the benefits remaining available at the date of treatment. Any costs above the approved amount must be referred to the insurer before they are incurred, otherwise they may not be covered.

1. Personal data is processed for the purposes of underwriting, claims handling, fraud prevention and regulatory reporting. Nothing in these terms affects the member's statutory rights under the law governing this contract. Complaints should be raised first with the insurer's customer relations team before referral to an ombudsman service. Where the member holds other insurance covering the same event, the insurer will pay only its rateable proportion.

2. Benefits are payable only for treatment that is medically necessary and provided by a recognised medical practitioner. The member must take all reasonable steps to minimise the cost of treatment, including using network providers where available. Claims must be submitted within six months of the date of treatment unless the insurer agrees otherwise in writing. Where the member holds other insurance covering the same event, the insurer will pay only its rateable proportion.
